As we slowly transition into the green phase, we will be implementing new operational standards. We ask that you are patient with us through this new normal. You will be required to wear a mask when entering and walking throughout the dining room, deck and restrooms. Due to our modified seating we will be limiting dining to 90 minute time slots and accommodating a maximum of 4 guests per party. Takeout and curbside pick-up will still be available for your convenience. We look forward to seeing you all!
